**ORDER**

The court has reviewed the entire record, including subsequently decided authority and defendant's post-sentencing conduct. Essentially, for the reasons stated in the government's response in opposition [D.E. 57], the court DENIES defendant's motion for compassionate release [D.E. 52]. Moreover, having considered the section 3553(a) factors and the entire record, the court finds that the section 3553(a) factors counsel against reducing defendant's sentence.

SO ORDERED. This 18 day of July, 2025.

  
JAMES C. DEVER III  
United States District Judge
